

Department of Mathematics

Ms. Arshdeep Kaur

Research Publications

Research papers published in International/ National Journals:

S. NO.	Authors	Title of Paper	Journal's name and place of publication	Publication & ISSN	Vol./ Page no./ year
1.	Arshdeep Kaur, Amit Kumar	Commentary on "A geometric approach for ranking interval-valued intuitionistic fuzzy numbers with an application to group decision-making"	Computers & Industrial Engineering (SCI Impact factor 3.518) , Amsterdam, Netherlands	Elsevier, ISSN: 0360-8352	135/ 314-316/ 2019
2.	Arshdeep Kaur, Amit Kumar, S.S. Appadoo	A note on "Approaches to interval intuitionistic trapezoidal fuzzy multiple attribute decision making with incomplete weight information"	International Journal of Fuzzy Systems (SCI Impact factor 3.085) Berlin, Germany	Springer, Electronic ISSN: 2199-3211 Print ISSN: 1562-2479	21/ 1010-1011/2019
3.	Arshdeep Kaur, Amit Kumar, S.S. Appadoo	Commentary on "A reply to note on the paper "A simplified novel technique for solving fully fuzzy linear programming problems""	Journal of Intelligent & Fuzzy Systems (SCI Impact Factor 1.637) Amsterdam, Netherlands	IOS Press, ISSN online: 1875-8967 ISSN print: 1064-1246	36/ 5685-5691/2019
4.	Arshdeep Kaur	A Note on "Multiattribute decision making based on interval-valued intuitionistic values and linear programming methodology"	International Journal of Mathematical Archive, India	Scientific Research, ISSN: 2229-5046	9(1)/ 78-79/ 2018
5.	Arshdeep Kaur, Amit Kumar	A note on "An interval type-2 fuzzy LINMAP method with approximate ideal solutions for multiple criteria decision analysis"	Mathematical Sciences International Research Journal, India	IMRF publications, ISSN: 2278-8697	7/29-33/ 2019
